

Website Terms for Harmo|Ny/(i)-ght Network

Last updated: August 26, 2026

OVERVIEW

These Website Terms ("Terms") govern access to and use of harmonight.com, including public Network, Labs, Studio, FAQ, Support Center, report, and Legal pages.

Harmo|Ny/(i)-ght Network is the public website and network surface for HarmoNight Network, Romania ("Harmo|Ny/(i)-ght", "we", "us", or "our"). Product-specific app terms or EULAs may apply separately to individual apps such as Reso9+.

ACCEPTANCE

By accessing or using harmonight.com, you agree to these Terms. If you do not agree, do not use the website.

If you use a Harmo|Ny/(i)-ght app, product-specific terms, app store terms, EULAs, and privacy documents may also apply.

WEBSITE PURPOSE

The website provides public information about Harmo|Ny/(i)-ght Network, Labs, Reso9+, future reserved branches, support/report routes, FAQ, and legal documents.

The current website does not provide a public account portal, cloud sync dashboard, subscription portal, payment checkout, or app store download links unless a page explicitly says that a feature is active.

Reserved branches, future products, and planned services are not promises that a feature, release, price, account system, or business model will become available.

ACCOUNTS AND CLOUD SYNC

The current public website can be used without a Harmo|Ny/(i)-ght account.

If Harmo|Ny/(i)-ght accounts, cloud sync, subscriptions, purchases, or shared preferences are added later, they must be covered by updated terms, privacy disclosures, user controls, backend retention rules, deletion/export flows, and product-specific notices before release.

SUPPORT AND REPORTS

The public Support Center can be used for help, reports, privacy requests, accessibility requests, and security signals.

Support requests require contact details because a reply may be needed. Reports can stay anonymous unless you choose to provide an email address for follow-up.

Submitting a support request or report does not guarantee a response, fix, feature change, refund, timeline, or legal outcome.

We may ignore, delete, rate-limit, or refuse requests that are abusive, unlawful, spam, unsafe, impossible to investigate, or contain information that should not have been submitted.

YOUR SUBMISSIONS

"Submissions" means messages, reports, feedback, screenshots, attachments, ideas, suggestions, or other content you send through the website or by email.

You keep ownership of your Submissions. You grant us a limited, worldwide, non-exclusive, royalty-free license to host, store, process, copy, transmit, display, and use Submissions only as needed to:

- operate support and report workflows;
- respond to requests;
- debug problems;
- improve products and public pages;
- protect safety and security;
- enforce these Terms; and
- comply with law.

You are responsible for your Submissions and for making sure you have the rights and permissions needed to send them.

Do not submit passwords, payment details, recovery codes, private keys, API tokens, medical records, government identifiers, precise location, another person's private information, or unlawful content.

ACCEPTABLE USE

You agree not to:

- use the website for illegal, harmful, fraudulent, abusive, deceptive, harassing, unsafe, or reckless purposes;
- interfere with the operation, integrity, performance, or security of the website, API routes, support forms, report forms, or infrastructure;
- attempt to bypass rate limits, security controls, authentication, headers, tokens, or abuse protections;
- submit spam, malware, exploit attempts, scraping traffic, abusive content, or misleading reports;
- misuse support, privacy, accessibility, legal, or security channels;
- copy, scrape, redistribute, or exploit website content except where permitted by law or written permission;
- impersonate Harmo|Ny/(i)-ght, its operators, users, or third parties; or
- violate these Terms, law, platform rules, or another person's rights.

INTELLECTUAL PROPERTY

The website, including its design, interface, names, logos, branding, text, graphics, components, documentation, and other materials, is owned by us or our licensors and is protected by intellectual property laws.

These Terms do not give you ownership of Harmo|Ny/(i)-ght Network, Reso9+, or any website or product intellectual property.

You may link to public pages in a fair and lawful way that does not imply endorsement, partnership, or ownership.

PRODUCT INFORMATION

Product pages are provided for public information and support routing.

App features, store availability, pricing, platform support, account features, cloud sync, and product behavior can change over time. Product-specific EULAs, app store rules, privacy policies, and in-app notices control where they apply.

Reso9+ is a local-first pocket instrument and product-specific legal references may differ from website terms because app behavior, platform rules, and safety notices are different.

THIRD-PARTY SERVICES

The website may rely on third-party providers for hosting, domains, DNS, database, deployment, email, app store distribution, support, security, or other operational needs.

Third-party services may have their own terms, privacy policies, availability, pricing, and security practices. We are not responsible for third-party services outside our control.

NO PROFESSIONAL ADVICE

Website content is provided for general product, support, and legal-reference purposes.

The website does not provide legal, medical, financial, emergency, safety, engineering, or professional advice. Product safety information and legal documents do not replace qualified professional advice where that advice is needed.

AVAILABILITY AND CHANGES

We may add, change, suspend, or remove website pages, routes, content, support flows, report flows, products, branches, or services where reasonably necessary for security, legal compliance, platform requirements, technical limits, product improvement, or business reasons.

We do not guarantee that the website will be uninterrupted, secure, error-free, or available forever.

WARRANTY DISCLAIMER

To the maximum extent permitted by law, the website is provided "as is" and "as available" without warranties of any kind.

We do not guarantee that the website will meet your expectations, remain available, be error-free, preserve all submissions, or that every support/report request will be read, answered, fixed, or resolved.

Nothing in these Terms excludes warranties or rights that cannot be excluded under applicable consumer law.

LIMITATION OF LIABILITY

To the maximum extent permitted by law, Harmo|Ny/(i)-ght and its operators, affiliates, suppliers, and service providers will not be liable for indirect, incidental, special, consequential, exemplary, or punitive damages, including loss of data, loss of profits, service interruption, missed support messages, delayed responses, inaccurate product information, or business interruption.

These limits do not apply where liability cannot be limited by law, including liability for intentional misconduct, gross negligence, death or personal injury caused by negligence, fraud, or mandatory consumer rights.

GOVERNING LAW

These Terms are governed by the laws of Romania, without regard to conflict-of-law rules.

If you are a consumer in the EEA, UK, Switzerland, or another jurisdiction with mandatory consumer protections, you may also have rights under the mandatory laws of your country of residence, and these Terms do not limit those rights.

Before starting a formal dispute, please contact contact@harmonight.com so we can try to resolve the issue informally.

CHANGES TO THESE TERMS

We may update these Terms from time to time. When changes are material, we will update the "Last updated" date and, where required, provide notice through the website, product pages, app release notes, or another reasonable method.

If you continue using the website after updated Terms become effective, you accept the updated Terms. If you do not agree, stop using the website.
